Hello all,

Below you will find a link allowing you to download the review draft of BDCP Conservation Measure 12, Methylmercury Management. The available "clean" PDF incorporates responses to comments on the prior (2010) draft, as well as updates to reflect the process up to this time.

We would appreciate receiving your review comments by January 6, 2012. State reviewers please forward your comments to Bill Harrell at DWR; Federal reviewers, please forward your comments to Federico Barajas at Reclamation. Please use the same comment form that is being used for all EA documents (a blank form is provided on the FTP site).

Upon clicking the hyperlink below, simply log-in using your existing username and password and the download will become available. If you have any issues accessing the site or the file, please do not hesitate to let me know.

Thanks,
